

# On the Double

## Lloyd Banks

I need more bottles I'm a need a double, bring it on a double  
A bottle each hand, I'm the fuckin' man  
Cars, double, broads, double  
And I don't have a girl, so I can't get in trouble And I can do what I can do whatever I want  
Drink 'til I'm drunk and smoke my blunt  
My baby outside you should hear my trunk  
They gon' think about this stunt all month Don't nobody see y'all 'cause we are the best  
The mighty, mighty unit blue fitted blue vest  
Watch me get 'em who's next? Who wanna be the one?  
I'm shinnin' royal diamonds in the night club with my gun Back to the money twenty four hours committed  
And I'm strapped, like the mummy you a dummy you could get it  
You ain't gettin' nothin' from me better get it how you live it  
All my days are sunny, I stay wherever you visit Rich nigga, I ain't got to think all day  
Cash made Rozay and my mink long, hey  
I own V.I.P. have a drink on me  
Girl, we run this city that's how shit gon' be I'm a need a double, bring it on a double  
A bottle each hand, I'm the fuckin' man  
Cars, double, broads, double  
And I don't have a girl, so I can't get in trouble And I can do what I can do whatever I want  
Drink 'til I'm drunk and smoke my blunt  
My baby outside you should hear my trunk  
They gon' talk about this stunt all month Shwaty say I talk a lot of shit  
I told her fuck talkin' I can back it up quick  
She seen as I'm sittin' this two hundred thousand whip  
And I ain't never seen a vagina I couldn't hit I roll up like a Marley in my brand new Klum Kardi's  
Lamborghini, Ferrari when I pull up at the party  
She's usually snotty now she's showin' off her body  
Frontin' and while she's walkin' and claim that's she's ridin' shwaty Moet, Henny, Bacardi have ya chasin'  
everybody  
Outside Bentley hittin' so four wheel at the coty  
G's, check, Bentley, jet  
Sour on deck, frizzy neck, baby I'm a need a double, bring it on a double  
A bottle each hand, I'm the fuckin' man  
Cars, double, broads, double  
And I don't have a girl, so I can't get in trouble And I can do what I can do whatever I want  
Drink 'til I'm drunk and smoke my blunt  
My baby outside you should hear my trunk  
They gon' talk about this stunt all month I can do what I can do whatever I want  
I can do what I can do whatever I want

I'm a need a double, bring it on a double  
I'm a need a double, bring it on a double  
Cars, double, broads, double
