

Cells

Teenage Fancub

The dead are stepping out tonight.

The battle's lost without a fight.

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

I don't preach and I don't pray

but I can feel the slow decay.

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

Ever onward to the grave.

I have no fear but I'm not brave.

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no

breaking down cells

breaking down

breaking down no no no
