

Symphony Of Life

[Tina Arena](#)

Stars are shining in your eyes
And I begin to realize
That our path through times unbroken Do you know what it's like
When a mirror never lies
And the truth remains unspoken? And we dance into the fire
'Cause our spirits take us higher Do you feel me now
Burning like a flame?
If you touch me
I may disappear Floating through your eyes
How do we resist
The gravity of love
In the symphony of life There's a place I've never been
Where there's angels gathering
And they talk about the future When the simple things in life
Can do more to satisfy
Let the wisdom be my teacher You can have all that you desire
But it may not take you higher Do you feel me now
Burning like a flame?
If you touch me
I may disappear Floating through your eyes
How do we resist
The gravity of love
In the symphony of life?
Life, symphony of life Do you feel me now
Burning like a flame?
If you touch me
I may disappear Floating though your eyes
How do we resist
The gravity of love
In my symphony of life?
Yeah, yeah
