# On a Night Like This

## La Bouche

On a night like this
On a night like this
On a night like thisOn a night like this
I'll be there
I'll be there for you
Oh, don't you know my baby?On a night like this
I'll be there
I'll be there for you
Oh, ohOn a night like this
On a night like this
On a night like this
On a night like thisHey, when you feel all alone
With no one to care
Just call out my name
I'll be there for youMaybe you got a problem
That's too hard to bear
When you need a friend
I'll be there for youOn a night like this
I'll be there
I'll be there for you
Oh, don't you know my baby?On a night like this
I'll be there
I'll be there for you
Oh, ohOn a night like this
On a night like this
On a night like this
On a night like thisNow love is patient, now love is kind
You'll never ever find a love like mine
On a night like this, how our lips first kissed?
Seein' you smile that was heavenly blissI'll be there for you if you're there for me
Lovin' you hard, lovin' you long
Playing the same song on and on
On a night like thisOn a night like this
I'll be there
I'll be there for you
Oh, don't you know my baby?On a night like this
I'll be there
I'll be there for you
Oh, ohOn a night like this

On a night like this
On a night like this
On a night like thisOn a night like this
I'll be there
I'll be there for you
Oh, don't you know my baby?On a night like this
I'll be there
I'll be there for you
Oh, ohOn a night like this
On a night like this
On a night like this
On a night like this
