

Ran Off In the Night

Echosmith

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come away

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come away

They were made for each other

It was love at first sight

They were caught in the moment

It was the end of the night

Well they were walking on such delicate ropes

Well they're talking of running off to the coast

They were made for each other

They run off in the night

She said to him

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come away

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come

Won't you come away with me

Won't you come away

They were made for each other

They knew it was right

So sick of this ghost town
So they ran off in the night
She said to him

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away

They're chasing the sun and it's light
They're racing running all the red lights
They're placing their trust in the night
They're waiting, now waiting

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away

Won't you come away with me
Won't you come

Won't you come away with me
Won't you come
Won't you come away with me
Won't you come away
