

Showdown (Live From Miami)

Britney Spears

Yeah

Sometimes I just love to have that out
Just something a girl's gotta do, ohNever thought I'd see you like this
You lookin' good when you're half dressed
Just let me give you one last test
Is that a sin, no
Am I too hot for you though
Did you check out my video
There's some things you don't do
Like thisI'll take you to spend in my way
Just give in when you are ready to play
Uh, like thisHere comes the showdown
What goes around comes around
And the crowds are waiting, oh
'Cause if we break up
Then we can make up
Shake my booty all night
Here comes the showdown, ohI don't really want to be a tease
Would you undo my zipper, please
Uh uh, please don't talk
Listen
I'll let you touch me if you want
I see your body rise, rise
And when you come, don't get too hot
ButterflyI'll take you to spend in my way
Just give in when you are ready to play
Like thisHere comes the showdown
What goes around comes around
And the crowds are waiting, oh
'Cause if we break up
Then we can make up
Shake my booty all night
Here comes the showdown, ohForget the tension
When we fight
You make it up
Turn down the light
It's just a lover's game we play, yeah
After the screaming's at an end
Why don't we all do it again

That's when the fun really begins
Oh, whoaHere comes the showdown
What goes around comes around
And the crowds are waiting, oh
'Cause if we break up
Then we can make up
Shake my booty all nightYeah
Yeah
YeahHere comes the showdown
Here comes the showdown, oh
What goes around comes around
The crowds are waiting, ohYeah
Here comes the showdown, oh
