Flinch

Lost Lander

Cross my heart and cross the line.
When I come home again I'll bring you presents.
Lights your face with your flowers.
When I come home again I'll bring your presents.
You'd better not stare it's a long way down. (You'd better not stare it's a long way down).
You'd better not stare it's a long way down.
You need to keep the peace of what you do?
When I'm alone again I feel your presence.
It lights your face and lights and lights your smile.
When I come home again I'll bring you flowers.
Ohh we lay still my love.(Heart heart to heart to heart we need to put a stop in the middle of it)
Ohh we lay still my love.
I saw somethin' wonderful.
I couldn't stay with you girl.
I saw somethin' wonderful (You'd better not stare it's a long way down).
You were sick with little fears.
I would stay with you and pass the hours.
Ohh we lay still my love (Heart heart to heart to heart we need to put a stop in the middle of it).
Ohh we lay still my love.
Ohh we lay still my love (Heart heart to heart to heart we need to put a stop).
Hey!
Ohh we will be somethin' wonderful.
I couldn't stay with you girl.
We will be somethin' wonderful, and I will stay with you girl.
I will stay with you girl.
