

Walking On a Thin Line

Huey Lewis & The News

Sometimes in my bed at night
I curse the dark and a pray for light
And sometimes, the light's no consolation
Blinded by a memory
Afraid of what it might do to me
And the tears and the sweat only mock my desperation
Don't you know me I'm the boy next door
The one you find so easy to ignore
Is that what I was fighting for?
Walking on a thin line
Straight off the front line
Labeled as freaks loose on the streets of the city
Walking on a thin line
Straight off the front line
Take a look at my face, see what it's doing to me
Taught me how to shoot to kill
A specialist with a deadly skill
A skill I needed to have to be a survivor
It's over now or so they say
Well, sometimes, it don't turn out that way
Cause your never the same when you've been under fire
Don't you know me I'm the boy next door
The one you find so easy to ignore
Is that what I was fighting for?
Walking on a thin line
Straight off the front line
Labeled as freaks loose on the streets of the city
Walking on a thin line
Straight off the front line
Take a look at my face, see what it's doing to me
