Sleepless Night

Shiffley

Now thatâ€™s enough
Is there an answer to this curse?
I never seem to be too good at letting go

If you break me out
Weâ€™ll leave this broken world behind
Weâ€™ll find a better place to hide whatever works

Cruel is how it has to be for now
Youâ€™re of a different type of form
Itâ€™s overloaded my design
And as soon as youâ€™ve found yourself out
Iâ€™ll be rubble, youâ€™ll be fineâ€¦

Iâ€™ll be rubble, youâ€™ll be fineâ€¦

Cuz I canâ€™t afford another sleepless night
I canâ€™t afford another sleepless night without you in my arms
Now if you ever want to make this right
Thereâ€™d never be another painful day without you in my heart

I canâ€™t afford another sleepless night
Donâ€™t want to take another fateless dive without you in my arms
But if you ever want to make this right
Thereâ€™d never be another painful day without you in my heartâ€¦
