Stand Up

James Durbin

Tonight, I'm okay
When the lights go down
And I hit the stage.
I'm alive, there's no way,
You can stop me now,
It's in my veins.
I can't wait,
Let's start the show!It's time to see you stand up
Let me see your hands up
Wanna hear you shout it out
(Come on)
Tell me if you want it.
Stand up!
Let me see your hands up
Wanna hear you shout it out
Tell me if you're ready to go.
Ready to go!Turn it up, let it grind,
Just plug me in, I'm amplified.
Can't stop me, block me!
Don't care if it's the death of me
Tickin' like a time bomb
Ready to blow.
Now it's time,
Let's start the show!It's time to see you stand up
Let me see your hands up
Wanna hear you shout it out
(Come on)
Tell me if you want it.Stand up!
Let me see your hands up
Wanna hear you shout it out
(Come on)
Tell me if you're ready to go.
Ready to go!Time won't wait for anyone
Cause we don't live forever
And if you think I've had enough
I'm only getting started now
You'll see...
The lights are shining on me.
Yeah yeahWanna see you stand up

Let me see your hands up
Wanna hear you shout it out
Yeah!Stand up!
Let me see your hands up
Wanna hear you shout it out
(Come on)
Tell me if you want it.
Stand up!
Let me see your hands up
Wanna hear you shout it out
(Come on)
Tell me if you're ready to go.
Tell me if you're ready to go.
Tell me if you're ready to go.
