

Teardrops

Joss Stone

Whenever I hear goodbyes
Remind me baby of you
I break down and cry
Next time I'll be true, yeah
Fever for lost romance
Remind me baby of you
I took a crazy chance
Next time I'll be true
I'll be true
I'll be trueFootsteps on the dance floor
Remind me baby of youTeardrops in my eyes
Next time I'll be true, yeahWhispers in the powder roomShe cries on every tune
Every tune
Every tuneAnd the music
Don't feel like it did
When I felt it with youNothing that I do or feel ever feels like
I felt it with youThat I do or feel ever feelsWhen I'm dancin' around
Remind me baby of you
I really let you down
Next time I'll be true, yeah
I took a crazy chance
She cries on every tune
Every tune
Every tuneFootsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune
Every tune
Every tuneAnd the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with youHurting deep inside
She cries on every tune
I break down and cry
She cries on every tune
Every tune

Every tune Footsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune She cries on every tune
Every tune
Every tune And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you And the music
Don't feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
I felt it with you
I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
I felt it with you
I felt it with you Woh ooh oh ooh
Woh ooh oh ooh
Woh ooh oh ooh
Woh ooh oh ooh
