

Pop

*NSYNC

Dirty pop, yo Sick and tired of hearin' all these people talk about
What's the deal with this pop life and when is it gonna fade out?

The thing you got to realize, what we doin' is not a trend
We got the gift of melody, we gonna bring it 'til the end, c'mon now
It doesn't matter about the car I drive or
what I wear around my neck

All that matters is that you recognize that it's just about respect
It doesn't matter about the clothes I wear and where I go and why
All that matters is that you get hyped and we'll do it to you every time
C'mon now, do you ever wonder why this
music gets you high?

It takes you on a ride, feel it when your body starts to rock
Baby, you can't stop and the music's all you got
C'mon now, this must be pop
Dirty pop, baby you can't stop
I know you like this dirty pop, this must be
Now, why you wanna try to classify the type of thing that we do?
'Cause we're just fine doin' what we like, can we say the same for you?

Tired of feelin' all around me animosity, just worry about yours
'Cause I'ma get mine, now people can't you see
It doesn't matter about the car I drive or the ice around my neck
All that matters is that you recognize that it's just about respect
It doesn't matter about the clothes I wear and where I go and why
All that matters is that you get hyped and we'll give it to you every time
C'mon, do you ever wonder why this
music gets you high?

It takes you on a ride, feel it when your body starts to rock
Baby, you can't stop and the music's all you got
Baby c'mon, this must be, ooh ooh, man I'm tired of singin'
Dirty, dirty, dirty pop
Dirty pop, do you ever wonder?
Do you ever wonder why this music gets you high?

It takes you on a ride, feel it when your body starts to rock
Baby, you can't stop and the music's all you got
C'mon now, this must be
Do you ever wonder why this music gets you high?

It takes you on a ride, feel it when your body starts to rock
Baby, you can't stop and the music's all you got
This must be
Do you ever wonder why this music gets you high?

It takes you on a ride, feel it when your body starts to rock
Baby, you can't stop and the music's all you got
Baby c'mon, this must be pop, pop
