

# You Are My Portion

**Darrell Evans**

Father I will not worry about tomorrow  
And all of its questions  
Father I will just trust you  
And I will be waiting for treasures in Heaven  
My heart is with You and there my treasure lies  
My eyes are on You for You are my delight  
Chorus:  
Though I may not wear the garments of princes  
You are my portion, You are my portion  
For you clothed me in your righteous  
And You are my portion, You are my portion  
Though I may not sit at the table of kings  
You are my portion, You are my portion (my everything)  
For You feed me from the abundance of Your hands  
You are my portion, You are my portion Lord (Repeat all)  
Bridge:  
My everything, You meet my every need  
You cover me, and make me to be in peace  
(thank you for Your peace Lord, its watching over me  
I will not worry, hmm, I'm gonna trust Your Hand,  
I'm gonna trust in Your hand,  
Repeat Chorus
