

Here's Your Song

The Whiskey Gentry

You say I'm never writin'
That I never even try
That my words will
bring no money
but honey that's the way
that we'll get by
See I'm just a normal person
I say things that you don't hear
Put you ear
to the speaker
'cause I won't
repeat it
Let me make this
loud and clear

Here's your song
I hope you like it
I hope you scream it
from the stars
I hope it finds you
in the gutter
Or in bed
with another
or wherever
the hell you are
It's a pretty little ditty
Such a pretty little tune
Here's your song
I hope you like it
'cause I wrote it
just for you

There's times I
think I'm winnin'
There's times I'm
head of the pack
There's times I'm
stompin' the ground
and bossin' others around

and telling everybody
 how to act
and all of a sudden
 it all gets quiet
 when I run out
of things to say
 but if you can
 do it best
then be my guest
 and I'll step
out of your way

Here's your song
I hope you like it
I hope you scream it
 from the stars
I hope it finds you
 in the gutter
 Or in bed
 with another
 or wherever
 the hell you are
It's a pretty little ditty
Such a pretty little tune
Here's your song
I hope you like it
'cause I wrote it
 just for you

Here's your song
I hope you like it
I hope you scream it
 from the stars
I hope it finds you
 in the gutter
 Or in bed
 with another
 or wherever
 the hell you are
It's a pretty little ditty
Such a pretty little tune
Here's your song
I hope you like it
'cause I wrote it

just for you

Here's your song
I hope you like it
'cause I wrote it
just for you
