

# Building a Wall

## Pet Shop Boys

Protection, prevention, detection, detention  
There's nowhere to defect to anymore  
Protection, prevention, detection, detention  
There's nowhere to defect to anymore I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in  
I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in Back then on a bomb site we were spies among the ruins  
Such precocious barbarians, on TV we saw cold war Protection, prevention, detection, detention  
There's nowhere to defect to anymore  
Protection, prevention, detection, detention  
There's nowhere to defect to anymore I'm leaving the world, it's all wrong  
Not so much what men are doing much more what they're not  
I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in Jesus and The Man from U.N.C.L.E.  
Caesar conquered Gaul scouting for centurions on a Roman wall Through the woods, the trees and further on the  
sea  
We lived in the shadow of the war  
Sand in the sandwiches wasps in the tea, it was a free country  
Who do you think you are, Captain Britain? I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in  
I'm losing my head, well why not?  
More wood for the undertaker means there's less for me I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in  
I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in I'm building a wall, a fine wall  
Not so much to keep you out, more to keep me in
