Blue Afternoon

Leighton Meester

I'm in your eyes
In a crashing wave
Baby I'm your slave
If you said so, I would
I am a child caught in the rain
Is this happening?
I hope so, it's so goodI don't know why I never believed it
You came and I saw that light
I gave in, I came closeBlue eyes of my lover
Eyes of my man
Green in the morning
And blue afternoonYou are the sky and the cold blue rush
When we finally touch
Sends me flying, in space
I am a cloud floating in your eyes
There ain't no disguises our heartbeats interlacedOh, I have waded in water so deep
I swam 'til I almost died
I gave in, I came closeOh, blue eyes of my lover
Eyes of my man
Green in the morning
And blue afternoonI don't mind wasting time
In your eyes I fall asleep, soundlyI don't mind wasting time
In your eyes I fall asleep, soundlyOh, blue eyes of my lover
Eyes of my man
Green in the morning
And blue afternoonBlue eyes of my lover
Eyes of my man
Green in the morning
And blue afternoon
