

I Ran (So Far Away)

Hidden in Plain View

I walked along the avenue
I never thought I'd meet a girl like you
Meet a girl like youWith auburn hair and tawny eyes
The kind of eyes that hypnotize me through
Hypnotize me throughAnd I ran, I ran so far away
I just ran, I ran all night and day
I couldn't get awayA cloud appears above your head
A beam of light comes shining down on you
Shining down on youThe cloud is moving nearer still
Aurora Borealis comes in view
Alis comes in viewAnd I ran, I ran so far away
I just ran, I ran all night and dayReached out a hand to touch your face
You're slowly disappearing from my view
Disappearing from my viewReached out a hand to try again
I'm floating in a beam of light with you
A beam of light with youAnd I ran, I ran so far away
I just ran, I ran all night and dayAnd I ran, I ran so far away
I just ran, I ran all night and day
