

Left Your Door Unlocked

Harlan T. Bobo

Left your door unlocked
Couldn't keep from coming in
I know I could of stayed outside
But it was raining and I knew
You were out with him
Just to lie in our bed
Just to see if things have changed
only stay here a while
make believe that
you
and
me
are here at home
Always liked this place
The kinda place that feels like home
I guess I hoped to find
some little things to prove
that you still think of me and
Just to lie in our bed
Just to see if things have changed
only stay here a while
make believe that
you
and
me
are here at home
out into the night
your out there somewhere getting drunk
when you get back home
youll find me sleepin
and you'll know much I care
Just to lie in our bed
Just to see if things have changed
only stay here a while
make believe that
you
and
me
are here at home
