

# Oh It's Such A Shame

**Jay Reatard**

That's the way things go  
All people's changes they grow  
I hide in this room  
Let's hope it's not wasted

Oh, it's such a shame

I look into your eyes  
and try not to cry  
That's all I know  
Let's hope it's not wasted

Oh, it's such a shame
