

My Way

Limp Bizkit

Check out my melody
Check out my melodySpecial, you think you're special, you do
I can see it in your eyes
I can see it when you laugh at me
Look down on me and walk around on meJust one more fight about your leadership
And I will straight up leave your shit
'Cause I've had enough of this
And now I'm pissed, yeahThis time I'ma let it all come out
This time I'ma stand up and shout
I'ma do things my way, it's my way
My way or the highwayThis time I'ma let it all come out
This time I'ma stand up and shout
I'ma do things my way, it's my way
My way or the highwayCheck out my melody
Check out my melody
Check out my melody
Check out my melodyJust one more fight about a lot of things
And I will give up everything
To be on my own again
Free again, yeahThis time I'ma let it all come out
This time I'ma stand up and shout
I'ma do things my way, it's my way
My way or the highwayThis time I'ma let it all come out
This time I'ma stand up and shout
I'ma do things my way, it's my way
My way or the highwaySome day you'll see things my way
'Cause you never know, no you never know when you're gonna go
Some day you'll see things my way
'Cause you never know, no you never know when you're gonna goCheck out my melody
Check out my melody
Check out my melody
Check out my melodyJust one more fight and I'll be history
Yes, I will straight up leave your shit
And you'll be the one who's left
Missing me, yeahThis time I'ma let it all come out
This time I'ma stand up and shout
I'ma do things my way, it's my way
My way or the highwayThis time I'ma let it all come out
This time I'ma stand up and shout

I'ma do things my way, it's my way
My way or the highway Some day you'll see things my way
'Cause you never know, no you never know when you're gonna go
Some day you'll see things my way
'Cause you never know, no you never know when you're gonna go Check out my melody
