Take Me

Teedra Moses

[Chorus]
Take me
Back to that day when you made me fall
I want to go, I want to go
Make me feel
Like you did the very first time we ever touched
I want to go, let's just goWinter's here
And I ain't about it
I just want to lay with you
In the late nights getting warm
We find, less and less time to get together
But that there's whatever
See, tonight is for you and I...
Yeah, we gotta take it back tonightI want to go, I want to go
Make me feel
Like you did the very first time we ever touched (So won't you take me)
I want to go, let's just goThe place love used to be
Is still a part of me
And I'm so fortunate lady
That you still need a piece of me
And I know that you're waiting
See I'm only downtown
You know I roll alone girl
I'm never with a crowd[Chorus]And I know I can get crazy
Say things I do not mean
But in all of my frustration
I'm just tryin' make you see
I'm still here for you (I'm still here for you)
My love won't let it die (I won't let it die)
I know it's been a while baby but
I need you to take me there tonightBaby won't you take me tonight
(You know I roll alone girl)
(I'm never with a crowd)
Cause my heart (really needs you)
(Oh, take me baby)[Chorus]And I know I can get crazy
Say things I do not mean
But in all of my frustration
I'm just tryin' make you see
I'm still here for you

My love won't let it die
I know it's been a while baby but
I need you to take me there tonight[Chorus]
