

# That Haunting Melody

Al Jolson

Tell me, have you ever heard this melody?  
"Dya dya..." etc  
That melody has made an awful hit with me  
"Dya dya..." etc  
I don't know where I heard it  
But I liked it from the start  
It seems that I preferred it  
'Cause it got right to my heart  
It lingers in my brain  
I've nearly gone insane  
ooo, although I love that strain  
Of melody  
"Dya dya..." etc  
Where have I heard that melody?  
It seems so familiar to me  
It goes: "Dya dya..." etc  
It's floating in the air  
Yes, everywhere  
But here is here or here is there:  
"Dya dya..." etc  
I love I love, I love, I love it so  
It follows wherever I go  
Where is it from?  
I cannot help but hum  
"Dya dya..." etc  
Come dearie, wild about  
Can't do without  
That haunting melody
