

Victorious

Lifepoint Worship

Surround His throne
Seeded in glory
In power He stand alone
Until Your name, the highest praise
Almighty warrior, You crush the enemy
He is defeated, Yours is the victory

Until your name, the highest praise
Age to age
Your reign goes on and on
Crowned with strength
None stand against Your throne
Hard count forever glorious
Your name will reign victorious
Forever over us

You go before me
Your love will lead us all
Your hand upholds me
Jesus, the mighty one

Until your name, the highest praise
Age to age
Your reign goes on and on
Crowned with strength
None stand against Your throne
Hard count forever glorious
Your name will reign victorious
Forever over us
