

# Read My Lips

Jimmy Somerville

Here we're and standing our ground  
And we won't be moved by what they say So we'll shout (shout!)  
As loud as we can  
And we'll shout (shout!)  
'till they hear our demands  
Money is what we need, not complacency Read my lips and they will tell you  
Enough is enough is enough is enough  
Finding cures is not the only solution  
And it's not a case of sinner absolution So we'll fight (fight!)  
For love and with pride  
And we'll fight (fight!)  
Standing together for the  
Right to live and die with dignity Read my lips and they will tell you  
Enough is enough is enough is enough  
The power within  
We can use it to win  
So we'll shout (shout!)  
As loud as we can  
And we'll fight (fight!)  
'Till they meet our demands  
Money is what we need, not complacency Read my lips and they will tell you  
Enough is enough is enough is enough
