

# Try

## Zebras

Yeah, yeah  
You scale, you fall  
Sometimes it seems impossible  
But your hopes and dreams  
Are closer than they seem  
Why not give yourself a chance, nothing's gonna hold you back  
Everything you want is right there waiting  
What you wanna do? Gotta have some faith in you  
Don't you know that you can have it all?  
If you try and you just believe  
You can, you will  
Reach inside, don't be scared to dream  
You never know until, until you try, just try  
Your fears and doubts  
They find a way to break it down  
But it's not the end  
You can ride back up again  
Why not give yourself a chance, nothing's gonna hold you back  
Everything you want is right there waiting  
What you wanna do? Gotta have some faith in you  
Don't you know that you can have it all?  
If you try and you just believe  
You can, you will  
Reach inside, don't be scared to dream  
You never know until, you try  
What's the matter with believing  
That you can do anything?  
Take control and make the future  
What you want it to be and that's when you'll see  
If you try and you just believe  
You can, you will  
Reach inside, don't be scared to dream  
You never know until  
Until you try and you just believe  
You can, you will  
Reach inside, dreams are possible  
Never know until you try  
No, no, no, just try, try
