

Boogie Wonderland

Girls Against Boys

Dance, boogie wonder land
Dance, boogie wonder landMid night creeps so slowly into hearts of men
Who need more than they get
Daylight deals a bad man to a woman
Who had laid too many betsThe mirror stares you in the face and says
Baby, uh, uh, it don't work
You say your prayers though you don't care
You dance and you shake the hurtDance, boogie wonder land
Dance, boogie wonder landSounds fly through the night
I change my vinyl dreams
To boogie wonderland, I find romance
When I start to dance in boogie wonderlandI find romance
When I start to dance
In boogie wonderlandAll the love in the world can't be gone
All the need to be loved can't be wrongAll the records are playing
And my heart keep sayin'
Boogie wonderland, wonderlandDance, boogie wonder land
Dance, boogie wonder landI find romance
When I start to dance
In boogie wonder-land, I find romance
When I start to dance in boogie wonderlandDance, boogie wonder land
Dance, boogie wonder landAll the love in the world can't be gone
All the need to be loved can't be wrongAll the records are playing
And my heart keep saying
Boogie wonderland, wonderlandDance, boogie wonder land
Dance, boogie wonder landI find romance
When I start to dance
In boogie wonderland, I find romance
When I start to dance in boogie wonderlandDance, boogie wonder land
Dance, boogie wonder land
