

Dirty Dancing

Room 94

People keep talking
I don't care what they say, oh no (what they say, oh no)
I was walking and now I'm running away, oh no (away, oh no)
Now I falling faster
Oh, will you be there to catch me?
We're such a beautiful disaster
I keep coming back for more
Dirty dancing
Dirty dancing with no clothes on
Dirty dancing
Turn the lights off
Turn me on
We had a couple drinks then we touched lips
Feels so
Oh, I'm done with this
Dirty dancing
I thought you were the one
Yeah, I thought you were the one
I've got these feelings
Want them to go away, oh no
I don't believe in love
It's just a game, oh no
Am I losing my mind
Trying to forget you
Am I wasting my time
I just need to stop
Dirty dancing
Dirty dancing with no clothes on
Dirty dancing
Turn the lights off
Turn me on
We had a couple drinks then we touched lips
Feels so
Oh, I'm done with this
Dirty dancing
And I thought you were the one
One, one, one
We had a couple drinks then we touched lips
Feels so
Oh, I'm done with this
Dirty dancing
And I thought you were the one
To make me

I'm feel so take me
I'd do, I'd do anything for you
I'd do anything, yeah
And now I'm shaking
I just need my fix on you
I don't know what I can do
Dirty dancing
Dirty dancing with no clothes on
Dirty dancing
Turn the lights off
Turn me on
We had a couple drinks then we touched lips
Feels so
Oh, I'm done with this
Dirty dancing
I thought you were the one
One, one, one
We had a couple drinks then we touched lips
Feels so
Oh, I'm done with this
