

To Love Somebody

Jimmy Somerville

There's a light
A certain kind of light
That's never shone on me
I want my life to be
Lived with you, lived with you There's a way
Everybody says
To do each and every little thing
But what does it bring
If I ain't got you, ain't got faith, baby You don't know what it's like
Baby, you don't know what it's like
To love somebody
To love somebody
The way I love you In my brain, I see your face again
I know my frame of mind
You ain't got to be so blind
And I'm blind, so, so, so, blind I'm a man, can't you see what I am
I live and breathe for you
But what good does it do
If I ain't got you, ain't got faith, baby You don't know what it's like
Baby, you don't know what it's like
To love somebody
To love somebody
The way I love you You don't know
You don't know
You don't know I want my life to be
Lived with you, lived with you, you baby You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you
No, no, [incomprehensible] 3:27 You don't know what it's like
You don't know what it's like
To love somebody
To love somebody
The way I love you You don't know
You don't know what it's like
To love somebody, ooh
To love somebody
To love somebody

The way I love you
