Peter Gabriel

Sometimes I think that I know  
What love's all about  
And when I see the light  
I know I'll be all right I've got my friends in the world  
I had my friends  
When we were boys and girls  
And the secrets came unfurled City of brotherly love  
Place I call home  
Don't turn your back on me  
I don't want to be alone  
Love lasts forever Someone is talking to me  
Calling my name  
Tell me I'm not to blame  
I will not be ashamed of love  
Ashamed of love
