You Could Be My Baby

SHEL

If you know the sound
Then play the record backwards now
If you catch my drift
Then listen 'til the needle liftsYou could be my baby,
You could be my baby,
You seem just crazy enough
You could be my baby,
You could be my baby,
You seem just crazy enough
To loveYou play a double role
They say you're unconventional
So let me set the stage
Sanity is just a cageYou could be my baby,
You could be my baby,
You seem just crazy enough
You could be my baby,
You could be my baby,
You seem just crazy enough
To loveLoveYou could be my baby,
You could be my baby,
You seem just crazy enough
You could be my baby,
You could be my baby,
You seem just crazy enough
You could be my baby,
You could be my baby,
You seem just crazy enough
You could be my baby,
You could be my baby,
You could be my baby,
You seem just crazy enough
To loveLove
