

It's All In Your Mind

The Partridge Family

You can be what you feel
Life is a ferris wheel
Come take a ride
It's on the inside
Where you will find
It's all in your mind Listen, listen
You take a friend of mine
He was sad all the time
Then he got smart
He opened his mind
And it helped him to find It's all in your mind
It's all in your mind
It's all in your mind Listen, listen
It doesn't matter at all
Who you are or what you need
Just take a look inside
I'm sure you'll find
It's there in your mind Baby, it's all in your mind
Baby, it's all in your mind Who needs money
In a land of milk and honey?
I'll tell you one more time
You'll find it in your mind
Baby, it's all in your mind Listen, listen
You can be what you feel
Life isn't really real
It's up or down
Get your feet on the ground
And maybe you'll find It's all in your mind
It's all in your mind
It's all in your mind
It's all in your mind
