I Will Try

Insted

I put forth an effort in a time of hate and greed.
Now we must realize togetherness is what we need.
You say I won't - I say that I will.
You say I can't - I say I will try.
Complaining or pointing fingers at problems we face today is such a terrible habit and by no means the way.
You say I won't - I say that I will.
You say I can't - I say I will try.
Why do we turn away with so many in fear?
Giving, caring, and striving aren't thoughts but actions taken here.
You say I won't - I say that I will.
You say I can't - I say I will try
