

A Million Years

Johnnyswim

In a million years tell me will they think about us dear
Tell me will the star keep shining even when our bodies disappear
In a million years tell me will they hear about us dear
Will any of these sparks we light catch a flame and burn through time
You are my story my fame and my glory
heaven unfolding
You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you So darling is they say shhh don't listen
And if you hear me say shhh don't listen
We gotta keep repeating keep the feeling
From the moment when you first stole my heart
You are my story my fame and my glory heaven unfolding
You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you You are my story my fame and my glory heaven unfolding
We give the robe and the chalice
The keys to the palace to someone who wants it
(Theres one thing we'll say eye to the grave grave to the stars above)
You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you You're all I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
All I ever wanted oo oo oo oo
Is you
