

Milk & Toast & Honey

Roxette

Milk and toast and honey
Make it sunny on a rainy Saturday, hey hey hey
Milk and toast, some coffee
Take the stuffiness out of days you hate, you really hate
Slow morning news pass me by
I try not to analyze
But didn't he blow my mind this time?
Didn't he blow my mind?(Here he comes)
To bring a little lovin', honey
(Here he comes)
To take away the hurt inside(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want in life
Milk and toast and honey
Ain't it funny how things sometimes look so clear and feel so near
The dreams I dream, my favorite wishful thinkin'
Oh he's bookmarked everywhere, everywhere
True love might fall from the sky
Oh, you never know what to find
But didn't he blow my mind this time?
Didn't he blow my mind?(Here he comes)
To bring a little lovin', honey
(Here he comes)
To take away the pain inside(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want from life(Here he comes)
Oh lay a little lovin', honey
(Here he comes)
To feel you're gettin' close to me(Here he comes)
Is everything that matters to me
(Here he comes)
Is everywhere I want to be(Here he comes)
To bring a little lovin', honey
(Here he comes)
To take away the pain inside(Here he comes)
Is everything that matters to me
(Here he comes)
Is everything I want from life(Here he comes)
Oh lay a little lovin', baby, baby
(Here he comes)

You're gettin' close to me(Here he comes)
Is everything that matters to me
(Here he comes)
Is everywhere I want to beTo bring a little lovin' is everything I want
To lay a little lovin' is everything I want
Oh, here he comes
Here he comes, here he comes
