

# The Nights

## Michael Henry & Justin Robinett

Hey, once upon a younger year  
When all our shadows disappeared  
The animals inside came out to play  
Hey, when face to face with all our fears  
Learned our lessons through the tears  
Made memories we knew would never fadeOne day my fatherâ€"he told me,  
"Son, don't let it slip away"  
He took me in his arms, I heard him say,"When you get older  
Your wild heart will live for younger days  
Think of me if ever you're afraid."He said, "One day you'll leave this world behind  
So live a life you will remember."  
My father told me when I was just a child  
These are the nights that never die  
My father told meWhen thunder clouds start pouring down  
Light a fire they can't put out  
Carve your name into those shining stars  
He said, "Go venture far beyond the shores.  
Don't forsake this life of yours.  
I'll guide you home no matter where you are."One day my fatherâ€"he told me,  
"Son, don't let it slip away."  
When I was just a kid I heard him say,"When you get older  
Your wild heart will live for younger days  
Think of me if ever you're afraid."He said, "One day you'll leave this world behind  
So live a life you will remember."  
My father told me when I was just a child  
These are the nights that never die  
My father told meThese are the nights that never die  
My father told me
