

# All The Same Tonight

[Lee Ritenour](#)

For tonight we are all the same person  
Frozen smiles on a hand-painted faces  
The dream begins and the nightmare erases  
Yeah, the circus is here again  
We live under the tent of enchantment  
Dodging swords through the fire and danger  
Dancing colors and lights to astound us  
Three-ring action explodes all around usChorus (x2) (x3 on fade):Hear the band start to play  
Play us a song  
And we both find ourselves caught in the motion  
As the band starts to play  
We sing along, and the performance has begun  
See the merry-go-round go up and down  
And the carnival band puts it in motion  
And they started to play  
Play us a song  
In the dancing we're all one
