

# Somebody To Love (Matt Cab & Snuggles Cover)

## Justin Bieber

Oh oh for you I'd write a symphony!  
I'd tell the violins  
It's time to sink or swim  
March and play for ya! For you I'd be, whoa  
Running a thousand miles to get to where you are  
Step to the beat of my heart.  
I don't need a whole lot but coming from you I admit I  
Rather give you the world or we can share mine!  
I know that I won't be the first one given you all this attention, baby listen I just need somebody to love  
I-I, I don't need too much just need somebody to love (Somebody to love)  
I don't need nothing else, I promise girl I swear.  
I just need somebody to love. (I need somebody I-I need somebody  
I need somebody I-I need somebody) Everyday I bring the sun around,  
I sweep away the clouds.  
Smile for me (Smile for me) I would take, every second, every single time  
Spend it like my last dime, step to the beat of my heart. I don't need a whole lot but coming from you I admit I  
I'd rather give you the world or we can share mine! I know I won't be the first one,  
Given you all this attention baby listen! I just need somebody to love I-I I don't need too much  
Just need somebody to love. (just need somebody to love)  
I don't need nothing else, I promise girl I swear.  
I just need somebody to love. I need somebody, I-I need somebody,  
I need somebody, I-I need somebody.  
I need somebody, I-I need somebody, (Somebody to love, somebody to love.)  
I just need somebody to love. And you can have it all, anything you want.  
I can bring you, give you, the finer things yeah! But what I really want, I can't find 'cause,  
Money can't find me somebody to love. Oh whoa, find me somebody to love ooh I need somebody to love, I-I  
don't need too much  
Just somebody to love, somebody to love,  
I don't need nothing else,  
I promise girl I swear, I just need somebody to love. I need somebody, I-I need somebody,  
I need somebody, I-I need somebody somebody to love  
I need somebody, I-I need somebody,  
I need somebody, (I swear I just need somebody to love) I-I need somebody to love (I need somebody) Is she out  
there, is she out there, is she out there!  
I just need somebody to love.
