

Detox (feat. BBK)

Skepta

[Hook: Skepta]

Every day man turn up to the max

Don't know how to relax

Went to the hills tryna kick back

Still I wanna tweet and chat

Woke up this morning, said I quit smoking

Now I just bought me a pack

Cause every day man turn up to the max

Don't know how to relax[Verse 1: Shorty]

Pass me the weed, pass me the drink

Pass me a bill

Got cold feet and I can't sit still

Do what I want cause I got no chill

Yeah, you know the deal cuh man are true raver

I've been on more waves than a sailor

Man a turn up all over the radar

They know about Short Man in Jamaica

Care about now, don't care about later

But that's just the way that I live

Anywhere that I go, man are blazing a spliff

Bouncers are like "man are taking the piss"

Ace Hotel, know what it is

Turning down is a myth

Call me the turn up king

There's not a place that I won't turn up in[Verse 2: Skepta]

14 when I started smoking bud

Ever since way back then

See that buzz? Yeah, man are tryna get that again

I broke my turn down button so man can't press that again

Brand new tracksuit looking all jet black again

Said I quit smoking

But I'm in the Ace Hotel with the jetpack again

I remember when Wiley told me to jump on mic

And I got stage fright

Never thought I could jump on right

Thought I would jump on light

Now I'm like an air hostess how I jump on the flight

Sky scanner, I rocket on sight

Never stay in the same place for too long

You wanna find me? Start looking online[Hook: Skepta]

Every day man turn up to the max

Don't know how to relax

Went to the hills tryna kick back

Still I wanna tweet and chat

Woke up this morning, said I quit smoking

Now I just bought me a pack

Cause every day man turn up to the max

Don't know how to relax
