

Timeless

DMA's

What are you doing? You had so sweet
One left to ruin, one left to keep
You were scared of going away
Let it be the lesser that jokes defy
It makes me turn in the middle of the night
I can't decide, I can't decide
Ringing behind an old farewell
To close the call, too far to tell
You were scared of going away
Let it be the lesser that jokes defy
It makes me turn in the middle of the night
I can't decide, I can't decide Could I make you happy?
I wouldn't know you for someone else
Would you blow me over?
I'm fine, I'll wait on another shelf
Your jokes are holding what was before
You're timeless Another broken light you shake
Another walk right round as you see the ground and light of war, it was not you in the middle of the floor
Can't I take, to make it right? I can't decide, I can't decide Could I make you happy?
I wouldn't know you for someone else
Would you blow me over?
I'm fine, I'll wait on another shelf
Your jokes are holding what was before
You're timeless
