

Touch (Pop Reggae Mix)

Sean Paul

I came to celebrate, to get it loud, with my baby
Can you ride with me baby,...
To get it loud, with my baby
Can you ride with me babyGirl, what's it gonna be? cause that the rhythm turns...
You know I got it girl, you're...
I got the ticket to fulfill your dreams
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with itGirl you feel... you... step up right here
... girl... never stop from stare
... girl look...
Call on me girl... up
... in the atmosphere...
Call on me girl... up
... in the atmosphere...Girl, what's it gonna be? just let the rhythm come and set you free
You know I got it girl, you're...
I got the ticket to fulfill your dreams
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with itAll on me... girls... bust open in the atmosphere
All on me... girls... bust open in the atmosphere
All on me... girls... bust open in the atmosphere
Girls... dem ma look... buss me up girl...
Dem ma move...Girl, what's it gonna be? just let the rhythm come and set you free
You know I got it girl, you're...
I got the ticket to fulfill your dreams
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
Just touch the sky with it, just touch the sky with it
