

# Weekend Warriors

## A Change of Pace

Weekends are for the warriors  
All those late nights walkin' through front doors at daybreak  
Raise all of the glasses high  
This one's to all of us sittin' around here on Friday night  
I remember eighteen hated Mondays  
And sittin' and starin' at the clock dyin' to get away  
Don't look back and have no regrets  
We only got two days and time won't wait for us  
I couldn't ask for a better place to be  
This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than this I've been to hell and back  
All the snow storms  
And the bathroom stalls  
Which you pulled me out of I'll be there  
Like you've been there  
My word's my bond  
Don't stand alone, you can count on me  
I couldn't ask for a better place to be  
This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than this We fight this fight to stay free  
And never say, never  
If you leave this choice up to me  
I'll stay young forever  
(Stay young) This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together

Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than This can't last forever  
Raise a glass together  
Doesn't get much better  
No better than this Weekends are for the warriors
