Calling All Hearts

Chart Stormers

To the dance floor, tonight
Let love start (let love start)Calling all party people in the place to be
We gonna celebrate tonight
And rock out with the family
Here we goCalling all hearts (to the dance floor)
Tonight, let love start
On the dance floor, tonight
Let's go!I got a feeling everybody need a reason to shout
Leave all your problems and your drama at the door and get down, oh oh oh, oh oh oh oh oh
This is where we all unite
If we get it right, we gonna light up the sky
At this place, in this time
We gotta let go, 'cause it's greatCalling all hearts (to the dance floor), to the dance floor
Tonight, let love start
On the dance floor, tonightTonight, go a little harder with your partner
Heat it up in this place
It's okay to make up
If you take up, put a smile on your face (oh oh oh, oh oh oh oh oh oh)
This is very all you and I
We gonna groove
We gonna move into the night
Oh have this amazing time, yeah
You gotta let go 'cause it's alright (it's alright)Calling all hearts (to the dance floor)
Tonight (Tonight) let love start (Let love start, let love start)
On the dance floor, tonightIf they're beating tonight
Then I'm calling all hearts, you can call in all hearts, yeah
