My Face Your Ass

Lambchop

Oh yeah, oh yeah, oh yeahI wonder what would happen
If the world was in a wire
And the wire was in a spiral
Round a burning ring of fireAnd I wonder what would happen
If the fire was on the wind
And the wire was getting slower
And the ring was on a chainOh yeah, oh yeah
(I'll show your punk rock ass)
Oh yeah
(I'll show your punk rock ass)Oh yeah, oh yeah
(I'll show your punk rock ass)
Oh yeah
(I'll show your punk rock ass)And I wonder what would happen
If the chain was on your neck
And the ring was on your finger
And the pile was in QuebecAnd I wonder what would happen
If the world was in a wire
And the wire was in a spiral
Round a burning ring of fireOh yeah, ooh yeah
(I'll show your punk rock ass)
Oh yeah
(I'll show your punk rock ass)
