Black March

Front Line Assembly

Standing in the cornerOrdered it's time to goWho has self-control?
Conflict in the makingIt may just stand for reason
Only for the soulThe situation changes
But only for a whileYou barely get to see itBefore you've fallen downThe only way to fight it
Is striking back againStanding in the cornerOrdered it's time to goConflict in the making
Who has self-control?So what's wrong?Orders
Standing in the cornerOrdered it's time to go
Conflict in the makingWho has self-control?The situation changes
But only for a whileYou barely get to see it
Before you've fallen downThe only way to fight it
Is striking back againPlanning in the trenchesJust to fight again
Standing standing
Standing in the cornerOrdered it's time to goConflict in the making
Who has self-control?The situation changes
But only for a whileIgorance or treason will be the final blowThe only way to fight this is taking back your will
Planning in the trenches I've lost the will to kill
