My Weakness Is You

Edwin Starr

Girl, take this heart of mine
Take it and do what'cha wanna do
Huh, you know you made my life a mess
But I must confess
I can't stop, can't stop loving you'Cause you know you can always get through to me
No matter how much wrong you do to me
I'm so helpless, ain't nothin' I can do, yeah
'Cause you know my weakness is youI built a wall around my heart
When you left me for that other man
Aww, but brick by brick, girl, you tore it down
And I find myself loving you againSomehow you can always get through to me
No matter how much wrong you do to me
I'm so helpless, ain't nothin' I can do, yeah
Cause you know my weakness is youAnd I'm just your fool
Yes, I am
HuhOne more thing I have
I said the next time you knocked on my door
I rehearsed and planned to send you away
Baby, but the words I rehearsed came out in reverse
Instead of sending you away I begged you to stayYou know you can always get through to me
No matter how much wrong you do
Just like a child, I'm so helpless, ain't nothin' I can do, yeah
Cause you know my weakness is
You know, you knowYou know you can always get through to me
No matter how much wrong you do to me
My hands are tied, I'm so helpless, ain't nothin' I can do, yeah
'Cause you know my weakness is
I'll be doggoneYou know you can always get through to me
No matter how much wrong you do to me
My hands are tied, I'm so helpless, ain't nothin' I can do, girl
Cause you know my weakness is
One more time, nowYou know you can always get through to me
No matter how much wrong you do
