Joe Robot

The Network

It has a beginning,
It has an end,
Its a beautiful story,
But its pretend,
It keeps us laughing,
It makes us cry

Its alive,
Its Joe robot,
Has tin can,
Has Joe robot,
Joe robot

Where is it goin? (it has a beginning)
Where has it been? (it has an end)
Its a trojan horse (its a beautiful story)
Or is it a friend? (is it pretend?)

Its alive,
Its Joe robot,
Has tin can,
Has Joe robot,
Joe robot
