

Me and Paul

Waylon Jennings

It's been rough and rocky travelin'
But I'm finally standin' upright on the ground
After takin' several readings
I'm surprised to find my mind's still fairly sound I guess Nashville was the roughest
But I know I said the same about them all
We received our education
In the cities of the nation, me and Paul Almost busted in Laredo
But for reasons that I'd rather not disclose
But if you're stayin' in a motel there and leave
Just don't leave nothin' in your clothes And at the airport in Milwaukee
They refused to let us board the plane at all
They said we looked suspicious
But I believe they like to pick on me and Paul
