

I Got It

Jagged Edge

[JD (JE)]

(Girl I got it)

Shake, shake it baby

Shake, shake it

Shake, shake it mama

Shake for JD

Let me see you

Shake, shake it baby

Shake, shake it

Shake, shake it mama

Shake for JE

Let me see you[JE]

Now your girl said you were out looking for me

If so, then you need to come and see

If you're ready for a night that you will never forget

I'll give you pleasure and real love

If you let meBaby tell me what it is you want from me

Don't beat around the bush if you want my bodyIf you want it girl, I got it

Come and get with me

Girl I'll turn your body inside out

And bring ecstasy

If you want it, baby come and bring your body to me

If you need it, girl I got it, got it

Got-got-got got it, come onTrust me girl

You need to come with me

I've searched all around the world

Finding you is like a dream

When we wake up, you won't feel the same about me

Cause you'll realize

You're life won't be the same without me, whoaBaby tell me what it is you want from me

Don't beat around the bush if you want my bodyJust you and me

I told you bring your body, to me

And tell everybody about me

The things I'll do to your body

You'll love me and we can be[Trina]

Uh, uh

I need a hot thug who can handle this

And in the hot tub with the candles lit

I got the Crisy-Cris on the bottle of ice

Like Biggie Smalls say, we fuckin' tonight
JE Heartbreak, make it flow better
Making love on a bed full of rose petals
Just hold on tight cause my love is real
I make you feel ecstasy without the pill
I wonder how many licks do it take
To make you, break you, make your body shake
Make my inside out
Ride out, spend a week in Hawaii, hide out
And if you want it you know that I got it
Give it to me daddy, you know that I'm bout it
And if you throwin' that shit
I'ma do my thing and throw this ass back at at you like a boomerangBaby tell me what it is you want from me
Don't beat around the bush if you want my body
