

# Up To The Limit

## Accept

Too many things happened today  
Too many words I don't wanna say  
I wanna be cool but the heat's coming up  
I'm ready to kill 'cause enough is enough  
All I can say -- out of my way  
Before I get to the top  
All I can feel is wild running blood  
Please stop -- you better watch it  
It's getting up to the limit  
Up to the limit  
It's getting up to the limit  
Up to the limit  
Do me a favour and leave me alone  
The most I love you is when you're gone  
Please, disappear and don't come back  
I'm not the kind of guy you can check  
All I can say -- out of my way  
Before I get to the top  
All I can feel is wild running blood  
Please stop -- you better watch it  
It's getting up to the limit  
Up to the limit  
It's getting up to the limit  
Up to the limit  
To the limit -- up to the limit  
To the limit -- up to the limit  
It's getting up to the limit  
Up to the limit  
It's getting up to the limit  
Up to the limit  
Up to the limit  
It's getting up to the limit  
Up to the limit  
It's getting up to the limit  
Up to the limit  
To the limit -- up to the limit  
To the limit -- up to the limit
