I'm Always Chasing Rainbows

Alice Cooper

I'm always chasing rainbows
Watching clouds drifting by
My schemes are just like all my dreams
Ending in the skySome fellows look and find the sunshine
I always look and find the rain
Some fellows make a winning sometime
I never even make a gain, believe meI'm always chasing rainbows
Waiting to find a little bluebird in vainSome fellows look and find the sunshine
But I always look and find the rain
Some fellows make a winning sometime
I never even make a gain, believe meI'm always chasing rainbows
Waiting to find a little bluebird in vain
